## NEW HIRE ANNOUNCEMENT

Christopher Williams

Dispatch

We are pleased to welcome Christopher Williams to the Brookings Police Department Dispatch Team.

Christopher began his Dispatch training in October of 2025 after having spent several years working for the BATA Bus. Though not originally from Brookings, Christopher considers this his home and wishes to do his best for the community and its people.

Christopher will be joining a dispatch team, where he will continue to hone his skills and support the mission of the Brookings Police Department.

Please join me in congratulating Christopher on this well-deserved achievement and supporting his continued success with the City of Brookings.
