Action on Resolution 18-103, A Resolution authorizing the City Manager to Sign Documents for a Hazard Mitigation Grant Application

..Body

Summary:

This resolution will authorize the City manager to sign documents for a Hazard Mitigation Grant Application

Background:

The City of Brookings is applying for a Hazard Mitigation Grant through the Federal Emergency Management Agency for funding to purchase a property and remove a residential structure that has experienced repeated flooding. The property is located at 659 Faculty Drive on Lot 17, College Addition. Banner Associates is the Application Agent on behalf of the City of Brookings.

The approximate project cost is \$220,000 and the grant request is for 75% of the project cost. The City's share of the project would be approximately \$55,000 which is 25% of the project cost.

Fiscal Impact:

The City's estimated share of the grant is \$55,000, which would be paid for out of the storm drainage fund.
