Project: 240807002S – 815 5th Street - Detached garage  
Location: Brookings  
COB - City of Brookings

Dear Ryan,

Thank you for the opportunity to comment on the above referenced project pursuant to SDCL 1-19A-11.1. The South Dakota Office of the State Historic Preservation Officer (SHPO) would like to provide the following comments concerning effect of the proposed project on the non-renewable cultural resources of South Dakota.

On August 7, 2024, the SHPO received notification of the above-referenced project located at 815 5th Street in Brookings, South Dakota. The proposed project involves replacing an existing detached garage with an attached garage in the same location. The roof pitch will remain the same as what is currently existing. The siding on the garage will match the rest of the house. This property is non-contributing to the Brookings Central Residential Historic District, which is listed in the National Register of Historic Places. SDCL 1-19A-11.1 outlines a specific process that must be followed prior to any governmental action that may harm any historic property that is included in the National or State Registers of Historic Places.

Based upon the information provided, the proposed project will not adversely impact the historic district as a whole. Therefore, SHPO has made the following determination that the proposal will not encroach upon, damage, or destroy a historic property which is included in the National and State Registers of Historic Places.
