- Notes:
1. MUTCD compliant signage must be provided for sidewalk closures, including advance notification posted at locations to prevent pedestrians from backtracking to avoid the work site.
 2. If access to residences and businesses must be blocked for more than five (5) hours, the Contractor must provide those tenants at least 48 hours advanced notice of the closure
 3. All homeowner sidewalks are assumed to be 4" thick concrete and matching pre-existing dimensions. Refer to the Specifications.
