

**Resolution 21-026**

**Bridge Reinspection Program Resolution for use with  
South Dakota Department of Transportation (SDDOT) Retainer Contracts**

Whereas, 23 CFR 650, Subpart C, requires initial inspection of all bridges and reinspection at intervals, not to exceed two years, with the exception of reinforced concrete box culverts that meet specific criteria. These culverts are reinspected at intervals not to exceed four years.

Therefore, the City of Brookings is desirous of participating in the Bridge Inspection Program using Bridge Replacement Funds.

The City of Brookings requests SDDOT to hire Civil Design Inc. for the inspection work. SDDOT will secure Federal approvals, make payments to the Consulting Engineer for inspection services rendered, and bill the City for 20% of the cost. The City of Brookings will be responsible for the required 20% matching funds.

Dated this 23<sup>rd</sup> day of March, 2021, at Brookings, South Dakota.

CITY OF BROOKINGS
