SUMMARY OF CLG ACTIVITY SINCE LAST REPORT:

The Brookings Historic Preservation Commission has completed two of its anticipated projects for the 2024-2025 CLG Grant year.

On Thursday, August 29, the BHPC hosted trolley rides in the Central Historic Residential District as part of the Downtown at Sundown series in Brookings. With additional advertising for this year's event, attendance increased to 99 riders.

An additional 480 copies of the SDSU Walking Tour booklets were printed prior to this year's Hobo Day.

The BHPC has also been preparing survey work for a potential new or expanded district east of Medary Avenue in Brookings.
