

City Council Agenda Memo

From: Jeremy Linstad, Street Manager/Interim Solid Waste Mgr.

Council Meeting: September 26, 2023

Subject: Resolution 23-087: Awarding Bids for Portable Litter Control Fences

Person(s) Responsible: Jeremy Linstad, Street Manager/Interim Solid Waste Mgr.

Summary:

Staff recommends resolution approval for ten (10) portable litter control fences with Metta Technologies, Inc. for \$81,260. This is within the 2023 budgeted amount.

Background:

The City utilizes permanent fencing around the landfill to help control litter from leaving the grounds. These portable litter control fences will be used in the active working face for additional measure to help control litter and the ability to adjust based on the current weather conditions.

Item Details:

The City opened bids for (10) Portable Litter Control Fences on Tuesday, August 22, 2023 at 1:30 pm at the City & County Government Center. Two bids were received:

1. Metta Technologies, Inc. \$81,260.00
2. Coastal Netting Systems \$82,500.00

Metta Technologies, Inc. is the apparent low bidder and meets all specifications.

Legal Consideration:

None.

Strategic Plan Consideration:

Fiscal Responsibility, Service and Innovation Excellence, and Sustainability: portable fencing furthers Brookings' mission of providing a high quality of life for its citizens through proactive, fiscally responsible municipal government.

Financial Consideration:

The 2023 Solid Waste Disposal budget contains \$81,260 for litter control.

Options and Recommendation:

The City Council has the following options:

1. Approve as presented

2. Amend
3. Deny
4. Move the item to a work session
5. Discuss / take no action / table

Staff recommends approval of the resolution.
