

Planning Commission Agenda Memo

From: Ryan Miller, City Planner

Meeting: June 1, 2021

Subject: Presentation on Future Growth of the City of Brookings

Person(s) Responsible: Paul Briseno, City Manager

Summary:

The City invested in a new GIS division that has worked seamlessly with the Development Review Team (DRT) to develop a presentation of existing and future residential, commercial, and industrial development based on strategic plans. Staff will provide a brief of the presentation for informational purposes only.
