- 2) The proximity of the business to other establishments licensed for video lottery.
- 3) The type of business and manner in which it will be operated.
- 4) The location of the business in relation to other businesses, residential areas, or activities within the same general area.
- 5) The extent to which minors frequent a business connected to the proposed.
- 6) The effect the proposed business has on economic development.

Location of existing businesses with video lottery. Colors on the map indicate zoning.

# Application of SDCL 42-7A-64

(criteria for Video Lottery establishments)

- 1) The manner a City can influence video lottery placement is by application of the six criteria, and after applying the criteria, the City may approve or deny an application for video lottery placement.
- 2) A municipality may influence video lottery placement at one time only – at the time the licenses are applied for.
- 3) Municipalities may consider the number of establishments in the City currently licensed for video lottery.

# Application of SDCL 42-7A-64 (criteria for VL establishments)

- 4) Municipalities CAN apply the criteria and deny any application for a video lottery application.
- 5) Municipalities CAN approve an on-sale alcohol license, and DENY a video lottery license request.
- 6) Existing video lottery licenses MAY NOT BE DENIED renewal or transfer based upon the criteria set forth in SDCL 42-7A-64.
- 7) MAY NOT restrict the number of establishments certified for video lottery to a number less than those licensed as video lottery establishments on March 1, 1994.
