

Section Eight
Portion and Method of Allocating Expenses of Operation and Maintenance

Each party shall pay for all costs of maintenance, repairs, utilities and capital replacement for its separate areas. The costs of maintenance, repairs, utilities and capital replacement of the building exterior, roof, heating and air conditioning systems, grounds, parking lot, audio and video equipment in joint-use spaces and common areas shall be allocated between the Parties based upon the allocation of the County's share at fifty-two percent (52%) and the City's share at forty-eight percent (48%). The City Manager and Commission Department Director shall have the administrative authority to approve operation and maintenance expenditures as described in this section which have been budgeted and which are within their respective budget authority.
