DATE OF CHANGE ORDER: 4-21-23

CHANGE ORDER #: 1

PROJECT: H V A C U p g r a d e s

Project#: M C 2 N 4 4 0 1 7 7

- Description of work- Remove 2 existing gas water heaters that will have to be removed for demo and reinstallation of new Arena units. Due to age and condition of the existing water heaters after demo and reinstall water heaters most likely have performance issues. We are proposing to furnish and install 2 tankless instant hot water heaters, one on each side.

All water and gas piping modifications as needed to install on outside wall, so heaters are out of the way.

Instillation includes turnkey mechanical and electrical.

Total of this Change Order: \$25,920.00
