Good morning, Staci,

Given that the changes are minimal and not on the primary façade, I don't have any concerns with the changes. Thank you,

**Subject:** [EXT] Revisions to 928 8th Avenue

Hi Kate,

The owner of 928 8<sup>th</sup> Avenue is proposing some changes to the approved 11.1 architectural plans. He is proposing to eliminate several windows on the south side to put a kitchen sink and counter tops on the first and second floors. Due to the configuration, the height of the counter/sink would be higher than the windows. Please let me know your thoughts and if you need more information. Have a good weekend and thank you for your assistance.

Thanks,  
Staci
