RE: SDCL 1-19A-11.1 Consultation

Project: 200603002S – 821 9th St, Brookings – Replace one window
Location: Brookings County
(COB)

Dear Ms. Bungard:

Thank you for the opportunity to comment on the above referenced project pursuant to SDCL 1-19A-11.1. The South Dakota Office of the State Historic Preservation Officer (SHPO) would like to provide the following comments concerning effect of the proposed project on the non-renewable cultural resources of South Dakota.

On June 3, 2020, the SHPO received notification of the above-referenced project to remove and replace one window on the home at 821 9th St. This building is a contributing resource in the Brookings University Residential Historic District, which is listed in the National and State Registers of Historic Places. SDCL 1-19A-11.1 outlines a specific process that must be followed prior to any governmental action that may harm any historic property that is included on the National or State Registers of Historic Places.

Based upon the information provided, the window to be removed is not original to the home, the new window will fill the existing opening, and the trim will remain intact. Therefore, the SHPO has made its final determination that the proposed project will not encroach upon, damage, or destroy historic properties listed in the National or State Registers of Historic Places.

Should you require any additional information, please contact Kate Nelson at (605) 773-6005 or Kate.Nelson@state.sd.us.

Sincerely,

Jay D. Vogt
