We are excited to share more details on our virtual event, **FORUM 2020: Preservation Coast to Coast ~ at Home!** Since we won't have the pleasure of your company this year in Tacoma, we've assembled an exciting series of presentations, tours, and networking opportunities that will build on all the fun we had planned for our in-person event -but this year you can enjoy it from the comfort of home.

Mark your calendars for **FORUM 2020: Preservation Coast to Coast ~ at Home**, which will be held **August 3-9, 2020!** Each day will consist of 2-3 educational sessions, which will air one at a time beginning at noon (EDT). We will still have an Opening and Closing Plenary, Commission Excellence Awards presentations, virtual tours of Tacoma

landmarks, and some fun and informal receptions, including live happy hours and trivia. The last event of the day will take place at 7 pm each evening. All sessions and some virtual tours will be certified for AIA and AICP continuing education credits -more details to come in our preliminary schedule!

Registration will open June 29th! The cost to attend will be a flat rate of \$100, which will give you access to all the fun -and worry not, each presentation will be recorded for later viewing if you can't watch it live. Don't miss this opportunity to expand your preservation horizons and enjoy Tacoma from afar! Stay tuned for more updates in the coming weeks!

We are grateful for the support of our local, state and national partners as we've shifted gears to enhancing our current content to an educational and exciting online experience.
