1. Authority and Declaration of Necessity. The City of Brookings declares the necessity for the creation of Tax Increment Financing District Number Nine, City of Brookings (hereinafter sometimes referred to as the "District"), pursuant to SDCL Chapter 11-9. Further, the City finds that the improvement of the area within the District is likely to enhance significantly the value of substantially all of the other real property in the District and is necessary for economic development within the city.
2. Findings of Blight. The City Council makes the following findings with regard to blight:
 - a. More than 25% of the property in the District is a blighted area;
 - b. Improvements to the District will significantly and substantially enhance the value of all property within the District;
 - c. A majority of the property within the District which is suitable for development is currently unplatted and not serviceable with public infrastructure;
 - d. The aggregate assessed value of the District plus the tax incremental base of all other existing Districts in the city does not exceed Ten (10%) percent of the total assessed valuation in the City.
 - e. The District is predominantly open bare land void of site improvements, that impairs the sound growth of the City.
 - f. There exist inadequate street layouts and storm sewer which retard the provision of industrial accommodations.
 - g. The District constitutes a blighted area as defined in SDCL Chapter 11-9.
3. Findings of Maximum Percentage of Tax Increment Financing Districts. The aggregate assessed value of the taxable property in the District, plus all other tax incremental districts, does not exceed Ten (10%) percent of the total assessed valuation of the City of Brookings.
