

Incremental Opening plan October – January

October 19, begin 9:30 – 5:30 M-F

November 9, begin 9:30 – 7:00 M-TH, 9:30-5:30 F

In January re-evaluate and consider re-instating “normal” hours minus Sundays. **9:30-9 M-Th, 9:30 -5:30 F & SA, No Sundays. (back to full staff levels)**

From October 19 – January 2 services would stay the same as they currently are. Adding services will be re-evaluated at the end of December 2020, as we also re-evaluate current open hours.

If cases and positivity rates increase substantially, and another closure is recommended we will, of course, shut-down to just curbside at that time.
