

Dear Swiftel Staff;

Thank you for an awesome week with the Charolais crew that made the Swiftel Center their home for the week!

We were very impressed with how all of the staff went above and beyond to make sure everything went off without a hitch! Tom and Scott did an awesome job getting the center ready, and their crew was always reachable and there when needed.

Natalie and Jenna - can't say how much we appreciated you getting the rooms ready for the leadership activities. The Chef Matt did an amazing job with the food - we heard great comments how the food was so good and no one seemed to mind the cardboard boxes! Jordyn - thanks for your help too with food.

I know there were many people behind the scenes and the night staff and custodians who kept the place running and clean.

We had great comments/compliments and everyone would like to come back in the near future. Thanks again for all you did and thanks to your awesome staff! Kiera and Donnie Jolly

Natalie and Tom,

First of all, I want to truly thank you for everything your crew did for the Holstein show. Nothing but great compliments from everyone!!

Second, just curious when you might have a final invoice ready? The MN Holstein staff is always right on top of things and was asking. No pressure as I know you have had a long three weeks but thought I would ask....

Thanks again,  
Darrel
