Section 2

Public Service/Length of Agreement

- A. Public Service. The City expressly recognizes the control, housing and sheltering of animals within the City are necessary for the immediate and long-term preservation of the public health, safety and welfare of the City. The City and the Contractor recognize, therefore, that the services which the Contractor provides under the terms of this Agreement constitute and fulfill a public service.
- B. Term. This Agreement shall be for a period of twelve (12) months, commencing on January 1, 2020 and shall be in effect through December 31, 2020. It shall automatically renew each year unless amended or terminated earlier by either party pursuant to Section 5, Paragraph B. The Contractor will make an annual financial request by June 1, not as an outside agency, but as a public service provider, with budgeting to be within the Animal Control budget.

Section 3

Compensation

- A. Per Animal per Service Payments. In consideration for the performance of services by the Contractor, the City agrees to pay the Contractor on a per-animal, per-service basis. The following fee schedule shall be followed:
- \$15 payment for each animal impounded by the City and sheltered with Contractor. Costs shall include administration, paperwork, and precautionary medical.
 - \$10 payment per day, for up to five (5) days, for a maximum payment of \$50, for each animal impounded by the City and boarded overnight by the Contractor. Costs are based on the number of nights held in impound prior to euthanization or redemption.
 - \$50 payment for each cat (\$100 for a litter) surrendered by City or from an owner to Contractor. These animals become property of Contractor at time of surrender.
 - Litters (cats) shall receive special financial consideration. A litter consists of an adult female with her dependent offspring. Impound fees shall be paid for each animal: however, only a single daily boarding rate will be paid for housing the litter. A litter transfer fee of \$50 will be paid for the entire litter. For example, a litter of 7 plus mother for five (5) days would pay (\$15 per animal *8 total animals) + (\$10 per day *5 total days of boarding) + (\$50 one-time transfer fee) for a total of \$220.
 - 75% of all fees collected on behalf of the City at the Contractor's shelter including At Large Fines, Shelter Fees, City Licenses Sold, and Tickets Paid. Contractor will make payment to the City in two installments in the months of June and December.

- An itemized list of the above financial services shall be calculated and agreed upon weekly by the Contractor and Chief of Police or his/her designee.
- The City will pay the Contractor a maximum of \$40,000 for the year 2020.

The Contractor and the City shall determine the number of animals impounded, nights boarded, animals euthanized and surrendered for the quarter and shall bill the City by the fifth (5th) day of the month following the quarter, with payment due by the thirtieth (30th) day of that month.

- B. Veterinary and Related Medical Care. The Contractor agrees to provide low maintenance level veterinary and related medical care to those sick or injured animals brought to the shelter facilities and to those which become sick during impoundment. If an animal is redeemed by its owner, such owner shall be responsible for all veterinary and related medical costs. If no owner can be identified, the City agrees to be responsible for the costs of the low maintenance level veterinary and related medical care for animals under City impound with the prior approval of the Animal Control Officer or the Chief of Police or designee.

Section 4 Additional Obligations

- A. Liaison Officer. The Brookings Regional Humane Society Board President or designee shall act as the Contractor's liaison officer with the City. The City Manager of the City of Brookings or designee shall act as liaison officer of the City with the Contractor and shall be responsible for the administration and enforcement of this agreement. All reports, recommendations and all other correspondence shall be directed to the appropriate person(s) responsible under this Agreement whose duty it is to assure compliance with this Agreement.
- B. Confidentiality. The Contractor agrees, to the extent permitted by law, to keep all information it receives concerning the names, addresses and telephone numbers of complainants, witnesses and license holders confidential. The Contractor shall, to the greatest extent possible, protect an individual's right to privacy and shall neither circulate nor permit to be circulated this information for any purpose(s) unrelated to the scope of this agreement. The Contractor shall have the right, however, to release that information which may be necessary for the location of the animal's owner or for the acquisition of consent for veterinary and related medical treatment.
- C. Mutual Cooperation. The City agrees to provide all reasonable cooperation and assistance to the Contractor, its officers, agents and employees in order to facilitate and accomplish the mutual objectives of this Agreement. All animal control/shelter forms shall be issued in the name of the City and supplied by the City to the Contractor at the City's expense. The City shall use such items only in strict confidence with the instructions and limitations set by the Contractor. The City agrees to comply with all of the Contractor's reasonable and necessary official written procedures such as the provision of the cage number, the identification of a rabies tag number, the breed, description and sex of the impounded animals. The City and the Contractor acknowledge that these procedures

may, from time to time, be amended. The City shall provide the proper training of their employees performing these duties.

- D. Conflict of Interest. No officer or employee of the City having the power, authority or duty to perform an official act or action related to this Agreement shall acquire any interest in this Agreement, and no officer or employee of the City shall solicit, accept or grant a present or future gift, favor, service or other thing of value from or to any person involved in this Agreement

A waiver or extension for one default shall not act as a waiver or extension for subsequent defaults.

B. Termination.

1. General. This Agreement may be terminated due to the default of one of the parties or may be terminated by the mutual consent of the parties. Consent must be in writing and signed by an authorized representative of each party in order to be valid. This Agreement may also be terminated without cause by either party upon sixty (60) days written notice to the other party. Notice shall be provided in the manner specified in Section 6, Paragraph D.
2. Termination-Default-Remedies. In the event of termination due to the default of one of the parties, the aggrieved party shall also have the right, in addition to the right of termination, to assert and maintain any and all claims and/or actions for damages or other appropriate remedies. The aggrieved party may also elect not to terminate this Agreement or may elect to maintain an action for damages or other

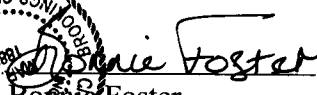

appropriate remedies for default. Either party may, at any time, maintain an action either to construe or enforce this Agreement.

Section 6

- A. Entire Agreement/Modification. This Agreement constitutes the entire agreement of the parties concerning the subject matter described herein. All prior contemporaneous negotiations and understandings between the parties are embodied in this Agreement, and it supersedes all prior agreements and understandings between the parties hereto relating to the subject of this Agreement. No alteration or other modification of this Agreement shall be effective unless such modification shall be in writing and signed by the parties.
- B. Severability. In the event any portion of this Agreement should become invalid, the remainder of the Agreement shall remain in full force and effect.
- C. Binding Effect. This Agreement shall be governed by and construed in accordance with the laws of the State of South Dakota. This Agreement shall be binding upon the successors in interest of the respective parties. This Agreement may be assigned only with the express written consent of the non-assigning party.
- D. Notice. Any notice required under the terms of this Agreement shall be deemed delivered and received when delivered in person or when mailed by certified mail to the parties at the addresses set forth in this Agreement.
