	Persons with <u>underlying medical conditions</u> under the age of 65					
	Teachers and other school/college staff					
1D	Funeral service workers					
1E	Fire service personnel					
	Includes public-facing workers in essential and <u>critical infrastructure</u>					
Phase 2	All others 16 years and older					

 Estimated Vaccine Availability

Note: Tribal vaccine allocation & administration is handled by the IHS
Veteran vaccine allocation & administration is handled by the VA

Due to limited allocation of the vaccine, the South Dakota Department of Health will use COVID-19 infection rates and will follow recommendations from the Advisory Committee on Immunization Practices (ACIP) to guide which counties will receive the vaccine first. Individuals qualifying for vaccination based on age or underlying health condition must be South Dakota residents.
