The screenshot shows a web browser window with the URL cityofbrookings-sd.gov/330/Household-Hazardous-Waste-Event. The page has a blue header with the text "Create an Account - Increase your productivity, customize your experience, and engage in information you care about." and a "Sign In" button. Below the header is a navigation menu with links: Home, Government, Departments/Divisions, Landfill, Landfill Information, Spring Cleanup, and Household Hazardous Waste Event. The main content area is titled "Household Hazardous Waste Event" and includes a "Program Overview" section. The overview text states: "Improperly discarded toxic, flammable or otherwise hazardous materials can be a threat to people, animals and the environment. Residents should not dispose of hazardous items in the trash, nor should they dispose of materials into sinks, the ground, or storm drains – doing so may pollute the environment and drinking water." It also mentions: "The Brookings Solid Waste Division provides the Household Hazardous Waste Event as an opportunity for residents in the region to conveniently and responsibly dispose of their household hazardous waste." Below this is a "2021 Event Information" section with the following details: **Date:** Saturday, August 21st, 2021; **Time:** 8 a.m. - Noon; **Location:** Swiftel Center – far north parking lot on south side of building; **Who can participate?** City of Brookings Regional Landfill service area residents – ID or utility bill required; **Recommended Donation:** Please bring a non-perishable food item(s) to be donated to Brookings Food Pantry; **Instructions:** Follow traffic cones and barriers to be directed to the drop off location. Please remain in your vehicle; a staff member will assist in unloading the items from your vehicle. At the bottom, there is an "Accepted Items:" section with three categories: **Household:** aerosols, batteries (lithium & NiCad), disinfectants, mothballs, oven cleaners, tile cleaners, bathroom cleaners, concrete cleaners, drain cleaners, nail polish removers, spot removers, compact fluorescent bulbs, fluorescent lamps; **Automotive:** auto repair products, degreasers, petroleum-based waxes & finishes, carburetor cleaners, fuels; **Lawn & Garden:** ant, bug, roach, rodent killers, bug sprays, charcoal lighter fluids, weed killers; **Home Improvement:** driveway sealers, oil based paints, latex paint, paint thinners, turpentine's, petroleum-based adhesives, roofing tars, paint strippers, wood preservatives.

Household Hazardous Waste Event

Program Overview

Improperly discarded toxic, flammable or otherwise hazardous materials can be a threat to people, animals and the environment. Residents should not dispose of hazardous items in the trash, nor should they dispose of materials into sinks, the ground, or storm drains – doing so may pollute the environment and drinking water.

The Brookings Solid Waste Division provides the Household Hazardous Waste Event as an opportunity for residents in the region to conveniently and responsibly dispose of their household hazardous waste.

2021 Event Information

Date: Saturday, August 21st, 2021

Time: 8 a.m. - Noon

Location: Swiftel Center – far north parking lot on south side of building

Who can participate? City of Brookings Regional Landfill service area residents – ID or utility bill required

Recommended Donation: Please bring a non-perishable food item(s) to be donated to Brookings Food Pantry

Instructions: Follow traffic cones and barriers to be directed to the drop off location. Please remain in your vehicle; a staff member will assist in unloading the items from your vehicle.

Accepted Items:

Household: aerosols, batteries (lithium & NiCad), disinfectants, mothballs, oven cleaners, tile cleaners, bathroom cleaners, concrete cleaners, drain cleaners, nail polish removers, spot removers, compact fluorescent bulbs, fluorescent lamps

Automotive: auto repair products, degreasers, petroleum-based waxes & finishes, carburetor cleaners, fuels

Lawn & Garden: ant, bug, roach, rodent killers, bug sprays, charcoal lighter fluids, weed killers

Home Improvement: driveway sealers, oil based paints, latex paint, paint thinners, turpentine's, petroleum-based adhesives, roofing tars, paint strippers, wood preservatives

- 50th Annual Brookings Arts Festival
- Land and Water Conservation Grant
 - \$47,000
 - *2.25 acre dog park at Sexauer Park*

Watering Restrictions

- Monday and Friday Even
- Tuesday and Saturday Odd

**PUBLIC NOTICE
REGARDING LAWN WATERING**
Monday, July 19th

Due to the 2021 drought BMU has need to further restrict the use of water for irrigating lawns in Brookings.

Starting July 19th water used for irrigating lawns will be limited to every **Monday and Friday** for property with an **even address number** and limited to every **Tuesday and Saturday** for property with an **odd address number**.

Irrigation of lawns on any other day will be prohibited unless specifically permitted by BMU. Compliance with these water restrictions is necessary to assure the health and safety of the community. Residents and property owners are asked to comply with the watering restrictions and those in noncompliance may be subject to fine or loss of water service.

Thank you for your cooperation!
