

Librarian's Report
September 2021

Programming:

Kids:

- Fall Story times have begun again.
- We had a fantastic summer.

Teens:

- Teen programming resumes this month
- Six teens enjoyed the first teen board game night on September 9.
- We have our first Teen STEAM (science Technology Engineering Art Math) event on Tuesday, September 14. They will be making solar ovens!

Adults:

- Lots of programming happening this month!
- The first post-COVID Trivia Night is Friday, September 24.
- Our first post-COVID Escape Room will be September 27-30.

Other: We have applied for a \$49,000 Larson Foundation Grant for a maker space and Children's activity room audio system. We are applying through the Friends of the Library. We should hear in November if we are awarded the grant.

Two part-time library assistant positions have been posted. We are hoping to get these positions filled soon.
