OFFICIAL SUMMARY

Chairperson George Houtman called the Board of Adjustment meeting to order on Thursday, October 15, 2020 at 5:00 PM in the Chamber's Room of the City & County Government Center. Members present were Dustin Edmison, Nick Schmeichel-via telephone, Jeremy Scott-via telephone and Houtman. Absent were Justin Borns and Matt Chandler. Others present were Community Development Director Mike Struck, Tim Gutormson, and Kelvin Adee.

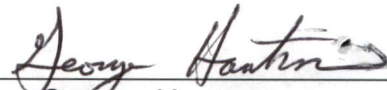

Item #4a – Item withdrawn per request of the applicant. Request will be heard at the November 5, 2020 Board of Adjustment meeting.

Item #4b – Gutormson explained that their lot has approximately 1,000 sf of frontage and he would like to install an additional access at the south end for their tenants. This additional access would allow the semi trucks to drivew through rather than manoeuvre around and have to make turns within the parking lot. Add isn't against an additional access, but he would like to see the access moved the the north. Gutormson explained that there is a detention pond to the north so an access drive would be able to be installed to the north.

The meeting was adjourned at 5:15 p.m.
