Presentation and recommendation to transfer City funds from the Brookings Economic Development Corporation to the Brookings Community Child Care Collaborative to support child care.

Summary:

Brookings Economic Development Corporation (BEDC), Brookings School District (BSD), and Boys & Girls Club of the Northern Plains (BGC) recommend transferring the use of the cities' set-aside funds from the BEDC proposed center to the Collaborative for startup, remodeling and equipment. The funds would provide the support required to fully execute phase 1 planning of the Brookings Child Care Collaborative (BCCC) project proposed. BCCC will expand access to quality, affordable care that supports early learning development and community workforce participation.

Recommendation:

This item is for informational purposes only. A resolution to transfer the funds will be brought forward to the June 25 City Council meeting.
