### Final 11.1 Review/Contractor Resource Guide

#### Summary:

The commission has worked on the 11.1 Contractor Resource Packet over the past year in order to develop a guide for contractors and homeowners assisting them with the 11.1 review process. The State Historic Preservation Office (SHPO) has provided comments and the Contractors Resource Packet is ready for final approval. Upon final approval by the commission, staff will make the guide available to the public and begin using it for new projects.
