Outside Agency Funding Process.

Summary:

At a February meeting, City Council requested a report and discussion of 2021 outside agency funding. The City Charter notes the City Manager will prepare the budget for Council review. The funding of outside agencies/programs is part of the budget formulation. For 2021, City Management will partner with United Way to make recommendations of United Way/City funded agencies. This ensures funding is dedicated to the greatest need in Brookings and founded on expert insight.

Recommendation:

Approve social service agencies to submit applications for funding through United Way.
