Action on Resolution 20-077, a Resolution Adopting Amendments to the Consolidated Fee Schedule.

Summary:

This resolution will update the Consolidated Fine and Fee Schedule to include fines for Coronavirus COVID-19 Ordinance Violations, as well as various parking offenses. Several fire protection system fees and a technology equipment usage fee have also been added to the schedule.

Background:

The City of Brookings charges fees to offset operational expenses and ensure the financial sustainability of programs and services. The City also assesses fines for ordinance violations.

Several fire protection fees and parking ordinance violation fines were deemed necessary in the most recent review of this schedule, as well as ordinance violation fines associated with COVID-19.

A technology equipment usage fee was also added. This fee would be assessed in addition to IT employees' time to non-City entities utilizing audio/visual equipment for televised or recorded events in City facilities.

Fiscal Impact:

Adjusting fees while remaining competitive will provide the City with an opportunity to financially supplement operations.

Recommendation:

Staff recommends approval.
