Action on the City General Employee Contract.

Summary:

Attached is the proposed employee collective bargaining agreement. The City employees are covered under such agreement. Teamsters Local Union No. 120 represents City employees under this contract.

The current contract expires at the end of 2021 and only allows wages as an opener. The City Manager and the Human Resources Director worked with union stewards and the Teamsters Business Agent for the City group. The union has accepted the proposed contract and City Council approval to ratify this contract will complete the process. The proposed contract in the packet is in amendment format so you can see the changes to the contract which is about to expire.
