Second Reading and Action on Ordinance 22-029, an Ordinance Authorizing Budget Amendment No. 7 to the 2022 Budget.

Summary:

City of Brookings Staff continually monitors departmental budgets and brings amendments to the City Council as necessary to account for circumstances not anticipated in the originally adopted appropriation ordinance. This ensures compliance with state and local laws and maintains transparency regarding the City's operational needs. This five-part budget amendment includes a transfer from the City Manager's Contingency Fund and increases revenue and expenditure authority for priority items that have been identified since the previous amendment.

Recommendation:

Staff recommends approval.
