### **Summary:**

The applicant is requesting approval of a rezoning request for property from Agricultural A District to Residence R-1C Single-Family District for the purpose of future residential development. The property is currently located within the Joint Jurisdiction Area.

### **Background:**

The property is located north of Steamboat Trail and south of 8<sup>th</sup> Street South. The rezoning request is being considered simultaneously with an annexation request. The Comprehensive Plan shows the future land use of this area as Low Density Residential and the R-1C District is an appropriate zoning district. There is a naturally occurring pond on the property which the developer will consider when platting the land for development.

### **Findings of Fact:**

1. The Comprehensive Plan Future Land Use Map shows the area as Low Density Residential.
2. The property shall be annexed prior to City Council acting on the Second Reading of Ordinance to rezone the property.

### **Staff Recommendation:**

Staff recommends approval of the rezoning request.
