**File #:** RES 20-047, **Version:** 1

---

Action to approve Resolution 20-047, a Resolution Authorizing Change Order No. 1 for the 2019-03STI, 20<sup>th</sup> Street South Improvement Project; Bowes Construction Co., Inc.

### **Summary:**

This project is the reconstruction of 20<sup>th</sup> Street South from Main Avenue to Rio Grande Avenue. The project involves storm sewer, water main, sanitary sewer, grading, curb & gutter, asphalt paving and a new 8'-wide concrete shared use path along the south side of the street.

It was found that the water table is very high in the area along 20<sup>th</sup> Street South between Rio Grande Avenue and Western Avenue. The geotechnical engineer recommended to install drain tile along 2,000 feet of 20<sup>th</sup> Street South to stabilize the subgrade and gravel. The City will use surplus pea rock from the 2019 Chip Seal Project to backfill the drain tile. In addition, staff identified a low area that will require additional storm sewer pipe and a storm drain.

This resolution will increase the contract by \$45,130.00 which will be paid out of the drainage fund and will extend the substantial completion date by two (2) working days for completion of the additional work.

### **Recommendation:**

Staff recommends approval of the resolution.
