Legislation Text

File #: RES 20-052, **Version:** 1

Public Hearing and Action on Resolution 20-052, a Resolution Determining the Necessity of Repairing or Installing Sidewalks in the City of Brookings at the Expense of Abutting property owners (2020-01SWR Concrete Maintenance Project).

Summary:

This project is the annual concrete project and entails construction of miscellaneous concrete work including homeowner trip hazards which were not repaired in the 2019 sidewalk area and property owners in the 2020 sidewalk area who volunteered to be in the project. This resolution is the first step in starting the assessment project for the sidewalk repairs.

The City mailed letters to the property owners giving them the option of repairing the sidewalks themselves or to be added to the City repair project. The properties are shown on the attached list. Each property owner was mailed a letter describing the contract prices and a notice of this public hearing. The contractor will start work after this resolution is approved.

Recommendation:

Staff recommends approval of the resolution.
