Action on Resolution 21-004, a Resolution Fixing Time and Place for Hearing upon Assessment Roll for Sidewalk Assessment Project No. 2019-01SWR, 2019 Sidewalk Repair Sites.

### **Summary:**

This resolution will set the public hearing date for Tuesday, January 26, 2021, for the Sidewalk Assessment Project No. 2019-01SWR, 2019 Sidewalk Repairs Sites.

### **Background:**

This project was the annual concrete project and entailed construction of miscellaneous concrete work including homeowner missing sidewalk or trip hazards that were not repaired in the 2018 sidewalk area and property owners in the 2019 sidewalk area who volunteered to be on the project.

Resolution 19-043 was adopted on July 9, 2019 and authorized the sidewalk assessment project. The assessment cost for each property owner is calculated by using their specific sidewalk cost plus a 6% fee for engineering and administration. This resolution will set the public hearing date for January 26, 2021 to assess the project. Notices will be mailed to the property owners included in the assessment.

### **Fiscal Impact:**

The city will collect the sidewalk assessment costs for the trip hazard repairs.

### **Recommendation:**

Staff recommends approval.
