Introduction of new and/or promoted City of Brookings employees.

The following City of Brookings employee will be introduced to the City Council and public:

- Charlie Richter - City Engineer

Charlie Richter, licensed Professional Engineer, was recently named City Engineer of Brookings. He graduated from the University of Vermont in 1998 with a degree in Civil Engineering. For the past 16 years as the Town Engineer of Lynnfield, Massachusetts he managed a great variety of infrastructure and improvement projects. Charlie's wife, Molly, is originally from Brookings and this opportunity provided them with a chance to move closer to family. Charlie has two children, Katie age 9 and Charlie age 12, who are excited to spend time with their Midwest cousins and grandparents. Charlie looks forward to applying his knowledge gained from over 20 years of public work experience to his role as the City Engineer of Brookings.
