Discussion on Ordinance Amendments Priorities

Summary:

Potential ordinance amendments arise over the course of the year. Staff would like to initiate discussion regarding priorities for ordinance amendments. Possibilities include a range of amendments such as amendments to the revised preliminary plat requirements, major vs minor home occupation criteria, parking requirements, mixed-uses allowed in the B-3 zoning district, sign code amendments, driveway widths, etc.

Please brainstorm a list of priority ordinance amendments to bring to the October Planning Commission in order to begin the process of researching potential amendments.
