Second Reading and Action on Ordinance 23-002, an Ordinance Authorizing Budget Amendment No. 1 to the 2023 Budget.

Summary:

City of Brookings Staff continually monitors departmental budgets and brings amendments to the City Council as necessary to account for circumstances not anticipated in the originally adopted appropriation ordinance. This ensures compliance with state and local laws, and maintains transparency regarding the City's operational needs. This budget amendment increases budget authority by \$2.2 million for the community allocation of American Rescue Plan Act funds. Agreements were made with community stakeholders following the City Council Work Session held July 19, 2022.

Recommendation:

Staff recommends approval.
